

Warranty

All of our products come with a 12 month manufacturer's warranty provided that the unit is used under the normal operating conditions shown within the product manual.

And, in the unlikely event there's a problem with your product then just get in touch with Husky (make sure you have your proof of purchase handy) and we'll do our best to sort it all out for you.

Please note that no warranty will apply when products are purchased from outside mainland UK.
