

Guarantee

All Iceking products come with a 2 year guarantee so that you can be assured that in the unlikely event of the product breaking down, there is a full 24 months parts and labour guarantee.

You can register your appliance by clicking the 'Register Your Product' link on the Iceking website.

Should any issues arise with your Iceking product then please call our national service helpline on: 01527 888133 and we will do our very best to have any issues resolved as soon as possible.
