

## Product Specification Sheet **MDFRC100K** 100cm Dual Fuel Range Cooker, Black

### Product Specification

|                                |                                                                             |
|--------------------------------|-----------------------------------------------------------------------------|
| Product type                   | Range Cooker                                                                |
| Fit Type                       | Freestanding                                                                |
| Main Colour                    | Black                                                                       |
| Side Panel Colour              | Black                                                                       |
| Product Fuel Type              | Dual Fuel                                                                   |
| LPG Convertible                | Yes                                                                         |
| Glass Lid                      | No                                                                          |
| Control Type                   | Dials/Touch                                                                 |
| Clock/Timer                    | Semi Automatic/Minute Minder                                                |
| Oven Light                     | Lower Left/Upper Right                                                      |
| Cavity Interior/Cleaning       | Enamel                                                                      |
| Catalytic Liner Position       | N/A                                                                         |
| Cavity Shelf System            | Removable Wire Racks                                                        |
| Removable Inner Door Glass     | Yes                                                                         |
| Hob Type                       | Gas                                                                         |
| No. of Hob Heating Zones       | 7                                                                           |
| Ignition                       | Automatic                                                                   |
| Residual Heat Indicator        | N/A                                                                         |
| Pan Support Type               | Cast Iron                                                                   |
| No. of Ovens                   | 2                                                                           |
| Grill Pan/Handle Set           | Yes                                                                         |
| Oven Shelves                   | 5                                                                           |
| Oven Trays                     | N/A                                                                         |
| Upper Left Cavity Type         | Electric Grill                                                              |
| Upper Left Cavity Functions    | 2 - Single Grill, Double Grill                                              |
| Upper Left Cavity Door Opening | Drop Down                                                                   |
| Open/Closed Door Grilling      | Open                                                                        |
| Main Cavity Type               | Multifunction Oven                                                          |
| Main Cavity Functions          | 4 - Defrost, Trufan, Top & Bottom Element, Fan Assisted (Top, Bottom & Fan) |
| Main Cavity Door Opening       | Side - Left Hinge                                                           |

|                                 |                    |
|---------------------------------|--------------------|
| Upper Right Cavity Type         | Fan Oven           |
| Upper Right Cavity Functions    | 2 - Defrost, Fan   |
| Upper Right Cavity Door Opening | Side - Right Hinge |
| Lower Right Cavity Type         | Storage Drawer     |
| Lower Right Cavity Door Opening | Drop Down          |

### Technical Specification

|                                |                     |
|--------------------------------|---------------------|
| Supply Requirements            | Gas/32A Hard Wired  |
| Gas - Safe Fitter Required     | Yes                 |
| Rated Power (W)                | 5900                |
| Rated Current (A)              | 26                  |
| Fuse Rating (A)                | 32                  |
| Power Cable Length (M)         | 1.4                 |
| Fitted plug                    | Cable & Plug        |
| Weight Gross/Net (Kg)          | 91/83               |
| Product Dimensions (mm)        | H900 x W1000 x D600 |
| Packed Product Dimensions (mm) | H970 W 1110 D 730   |
| EAN Code                       | 5060617985102       |

### Energy Specification

|                                                         |      |
|---------------------------------------------------------|------|
| Energy Efficiency Class (Main Oven)                     | A    |
| Main Oven Capacity (L)                                  | 53   |
| Energy Consumption Conventional (Main Oven) (Kwh/cycle) | 0.81 |
| Energy Consumption Fan (Main Oven) (Kwh/cycle)          | 0.73 |
| Energy Efficiency Class (Top Right Oven)                | A    |
| Top Right Oven Capacity (L)                             | 58   |
| Energy Consumption Fan (Top Right Oven) (Kwh/cycle)     | 0.74 |
